MOVE OUT CHECKLIST AND CHARGES

This checklist and the attached charge list will be used to make sure the home is clean and in the right condition as we conduct an inspection and authorize the release of your security deposit.

We expect the premises to be in the identical condition as you move in. The Property Manager will have the final responsibility for determining “normal wear and tear” and what is the result of damage, abuse, or neglect.

All repairs or maintenance items necessary to return the premises to the identical condition as when you moved in are the **tenant's responsibility**. The cost of these repairs and maintenance items will be deducted from the Security Deposit or charged to you afterward (see the Move-Out Charge list below). We will seek collection for any remaining balance due. You **MUST** provide your forwarding address. **Email your forwarding address to 614rentleasingoffice@gmail.com, and fill out the requested bank information to return your Security Deposit via eCheck.**

When you signed the lease, you agreed to provide the following on the day the property is vacated:

- All rent, utilities, and other account fees **MUST be paid in full**, or a satisfactory written settlement agreement made with us for any balance due. Unpaid balances are deducted from the Security Deposit first.
